**6" Extrusion Dies \$799.00**  
**(regular price \$1,550.00!)**

Quantity of 3 remaining at this price.

These extrusion dies are designed to work with the Trantex model 265M & 360SP Thermoplastic Applicator. Dies have been cleaned, re-built, and all excess material has been removed. Product may be returned for a complete refund within 30 days of purchase, if not satisfied. Available for pick up, local delivery, or shipping from our Jacksonville FL warehouse.
